

**INDEPENDENT ACCOUNTANT'S
AGREED-UPON PROCEDURES REPORT ON
COMPLIANCE WITH THE PROPOSITION 111
2016-2017 APPROPRIATIONS LIMIT INCREMENT**

Honorable Mayor and Members of the City Council
City of Pleasanton, California

We have performed the procedures below to the Appropriations Limit Worksheet (Worksheet) which were agreed to by the City of Pleasanton for the year ended June 30, 2017. These procedures, which were suggested by the League of California Cities and presented in their Article XIII B Appropriations Limitation Uniform Guidelines, were performed solely to assist you in meeting the requirements of Section 1.5 of Article XIII B of the California Constitution. Management is responsible for the Appropriations Limit Worksheet. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the City. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures you requested us to perform and our findings were as follows:

- A. We obtained the Worksheet provided by the City and determined that the 2016-2017 Appropriations Limit amounting to \$565,533,264 and annual adjustment factors were adopted by Resolution of the City Council. We also determined that the population and inflation options were selected by a recorded vote of the City Council.
- B. We computed the 2016-2017 Appropriations Limit by multiplying the 2015-2016 Prior Year Appropriations Limit by the Total Growth Factor. We recomputed the Total Growth Factor by multiplying the inflation option by the population option, selected by the City.
- C. For the Appropriations Limitation Worksheet, we agreed the Per Capita Income, County and City Population Factors to California State Department of Finance Worksheets.

We were not engaged to, and did not, conduct an audit, the objective of which would be the expression of an opinion on the Appropriations Limit Worksheet. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and the City Council; however, this restriction is not intended to limit the distribution of this report, which is a matter of public record.
