SideTrack Bar + Grill will be a welcome restaurant addition to Downtown Pleasanton, located at 30 West Angela St. Downtown Pleasanton has become a fun and diversified focal point for suburban living, enhancing the quality of life for the Tri Valley residents. SideTrack will replace what were Chinese family oriented restaurants with an American style, family oriented, full service bar and grill, with moderate pricing. Local residents can dine and socialize in a more modern updated, casual and fun atmosphere that will be unique to other establishments in the area.

Our distinctive menu (also attached) will have a variety of gourmet burgers not offered in Pleasanton; and signature dishes that have a cult following from one of the owner's predecessor establishments, such as Scoози and Absolut Prawns. Adding a type 47 license allows us to offer fine wines, local craft beers and top shelf spirits to complement and round out the menu.

In addition, our 2 semi-covered outdoor patios will offer some of the largest outdoor seating downtown, serving the need for outside dining and socializing valued by the area residents.

Per City Code, allowable hours for alcohol to be served is 11pm, 7 days a week. We would like to increase these hours on Thursday, Friday and Saturday to 1am. We would also like 10 days a year to extend hours until 1am. Those days are not yet determined but possibly New Year's Eve, St. Patrick's Day and possibly our anniversary for opening, etc. We would give advance notice for these nights. Additionally, the outdoor patios and indoor restaurant will have the same hours of operation. We have no plans to close the patios early (weather permitting). Food will also be served during all hours of operation. There will be a limited menu after 10pm, but we will still serve food while open.

Thank you for your consideration,
