

**RESOLUTION NO. PC-2020-05**

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF PLEASANTON APPROVING THE APPLICATION FOR CONDITIONAL USE PERMIT (CUP) LOCATED AT 680 MAIN STREET, AS FILED UNDER CASE NO. P19-0431**

**WHEREAS**, on December 2, 2019, Maurice Dissels, representing Oyo, applied for Conditional Use Permit approval to serve alcohol after 11 p.m. at an existing restaurant located at 680 Main Street (“Project”); and

**WHEREAS**, zoning for the property is C-C (Central Commercial), Downtown Revitalization, Active Ground-Floor Overlay, Core Area Overlay, Downtown Hospitality Central Core Area District; and

**WHEREAS**, a restaurant serving alcohol after 11 p.m. is a conditionally permitted use in the subject District, and require Planning Commission approval of a CUP; and

**WHEREAS**, the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301, Class 1, Existing Facilities; and

**WHEREAS**, on March 11, 2020, the Planning Commission held a duly-noticed public hearing and considered relevant exhibits, recommendations of the City staff concerning this application, and received testimony from the applicant and interested parties.

**NOW, THEREFORE BE IT RESOLVED** by the Planning Commission of the City of Pleasanton, based on the entire record of proceedings, including the oral and written staff reports and all public comment and testimony:

**Section 1:** Findings for Conditional Use Permit Approval

With respect to the approval of P19-0431, the Planning Commission makes the following findings as required by Section 18.124.070 of the Pleasanton Municipal Code:

- A. That the proposed location of the conditional use is in accordance with the objectives of the zoning ordinance and the purpose of the district in which the site is located.**

Some of the objectives of the zoning ordinance are to: foster a harmonious, convenient, workable relationship among land uses, protect existing land uses from inharmonious influences and harmful intrusions, and ensure public and private lands ultimately are used for the purposes which are most appropriate and beneficial to the City as a whole. As conditioned, the Planning Commission finds the extended hours for Oyo to serve alcohol past 11 p.m. would be consistent with these objectives.

The subject site is zoned C-C, Downtown Revitalization, Active Ground-Floor Overlay, Core Area Overlay, Downtown Hospitality Central Core Area District and is located in the Downtown, which permits a variety of commercial, office,

and residential uses. Restaurants serving alcoholic beverages past 11 p.m. are in accordance with the purposes of the C-C District in that they offer commodities and services to the residents of Pleasanton and surrounding areas. As conditioned, the Planning Commission finds the proposed operation would be consistent with the Downtown Specific Plan's goals of increasing the economic diversity of the area and the objectives of the Downtown Hospitality Guidelines and the recently adopted Downtown Specific Plan. The proposed conditions of approval for the project provide the City the ability to ensure the proposed use would operate in a non-nuisance manner.

- B. That the proposed location of the conditional use and the conditions under which it would be operated or maintained will not be detrimental to the public health, safety, or welfare, or materially injurious to the properties or improvements in the vicinity.**

As conditioned, the Planning Commission finds the project will not have a detrimental impact to the public health, safety, or welfare, or be materially injurious to the properties or improvements in the vicinity. The use, as conditioned, would operate in accordance with the standards set forth in the Downtown Hospitality Guidelines developed with the specific intent to avoid and minimize adverse effects of uses such as restaurants serving alcohol past 11 p.m. The bar is required to adhere to the City's Noise Ordinance, which is designed to protect the peace, health, safety, and welfare of the citizens of the City. Furthermore, if the operation of the business results in conflicts pertaining to parking, noise, traffic/circulation or other factors, a condition of approval allows the Planning Commission to determine if the proposal needs to return to the Planning Commission for further consideration or additional mitigation measures.

- C. That the proposed conditional use will comply with each of the applicable provisions of the zoning ordinance.**

The subject site's zoning conditionally permits restaurants to serve alcohol past 11 p.m. Granting a CUP for extended hours to serve alcohol up to 1 a.m. would be consistent with the City's ability to regulate zoning as listed in Chapter 18.124 of the Municipal Code. In addition, the Planning Commission finds, as conditioned, the proposed use will comply with all provisions and requirements of the City's zoning ordinance and Downtown Hospitality Guidelines.

**Section 2:** The Planning Commission hereby approves Case P19-0431, the application of Maurice Dissels, representing Oyo, for Conditional Use Permit approval to serve alcohol after 11 p.m. at an existing restaurant located at 680 Main Street, subject to the Conditions of Approval shown in Attachment 1, attached hereto and made part of this case by reference.

**Section 3:** This resolution shall become effective 15 days after its passage and adoption unless appealed prior to that time.
