

CITY COUNCIL AGENDA REPORT

May 4, 2021
City Council

TITLE: RATIFY COMMISSION AND COMMITTEE APPOINTMENTS

SUMMARY

In accordance with commission appointment policies, in the spring and fall the City solicits applications from interested Pleasanton residents to serve on the City's standing commissions and committees.

Recently, the City solicited applications to fill unscheduled vacancies and for expiring terms. Applications were received and interviews held. The Mayor's selections are listed in the attachment. To ensure continuity in service, the Mayor has included commissioners who, as a result of other openings, are changing status from an alternate to a regular member.
