

Bicycle, Pedestrian & Trails Committee Agenda Report

September 27, 2021
Item 4

SUBJECT: ANNUAL BICYCLE AND PEDESTRIAN COLLISION DATA

SUMMARY

The 2021 annual collision analysis is being provided to the BPTC in the September 27, 2021 agenda packet. The report is reviewed annually by personnel from Traffic and the Police Department in order to determine and correct problem areas within the City.

RECOMMENDATION

It is recommended that the Bicycle, Pedestrian & Trails Committee receive and consider this report, and provide staff with any input deemed suitable.

ACTION

No action required – informational item only.
