

# Bicycle, Pedestrian & Trails Committee Agenda Report

---

April 22, 2019  
Item 5

**SUBJECT: ANNUAL BICYCLE AND PEDESTRIAN COLLISION DATA**

---

## **SUMMARY**

The 2019 annual collision analysis was provided at the request of the BPTC. The report is reviewed annually by personnel from Traffic and the Police Department in order to determine and correct problem areas within the City.

## **RECOMMENDATION**

It is recommended that the Bicycle, Pedestrian & Trails Committee receive and consider this report, and provide staff with any input deemed suitable.

## **ACTION**

No action required – informational item only.

Submitted by:

A handwritten signature in black ink, appearing to read "Matt Nelson". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Matt Nelson  
Associate Traffic Engineer
