Commissioners:

I am a nearby resident on Sycamore Creek Way and a frequent user of the trails and bikeways of Pleasanton. The realignment will benefit Pleasanton and our neighborhood. I respectfully request that the realignment be approved.

The proposed realignment will work towards improvements in the health and safety of Pleasanton's citizens and allow the property owners to develop what are currently vacant lots. Bringhurst have kept the property free of weeds, debris and vermin without any return benefit. They have been good neighbors and we are pleased that the current owners will remain on a portion of their property, but now is the time for them to realize the value they have in the remaining real estate.
