Commissioners Absent: None

P21-0636 and P21-0637, Active Ground Floor Use Overlay

Consider amendments to the Downtown Specific Plan and Chapters 18.08 and 18.81 of the Pleasanton Municipal Code regarding the Active Ground Floor Use Overlay (AGFUO).

Action Recommended:

Recommend approval, with modifications

Action taken:

Approval recommended, staff recommendation modified as follows:

- Require that the entirety of a tenant space subject to the AGFUO be occupied with an active use (i.e., remove the provision for multiple uses in a single tenant space, meaning that the entirety of a space be required to be occupied by an active use); and
- Clarify policies related to vacancy such that the language specifically indicates the vacancy as commencing at the end of a lease; and to require evidence of marketing to include posting of a leasing sign at the site and an active listing; plus other measures to demonstrate proactive marketing of the tenant space.

The Commission also recommended that as a future discussion item, consider expanding the range of non-active uses that would be allowed to occupy ground floor tenant spaces after a six-month long vacancy to, for example, potentially include personal services such as barbershops or nail salons, rather than allowing space to be available to any tenant.
