

LIBRARY COMMISSION AGENDA REPORT

March 3, 2022
Item 6

SUBJECT: DISCUSS AND ADOPT LIBRARY COMMISSION GOALS FOR 2022

SUMMARY

Commission goals are discussed annually, to create a shared focus for the year. The Commission last set goals in March 2019.

RECOMMENDATION

Discuss and adopt Library Commission goals for 2022.

FISCAL IMPACT

There is no fiscal impact.

BACKGROUND

At the March 1, 2019 Library Commission meeting, the commissioners voted on the following goals for 2019:

1. Continue community outreach
2. Promote a new library, and
3. Promote equal access to information.

DISCUSSION

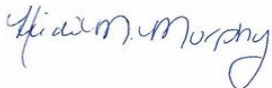

Since establishing these goals, library services have been significantly impacted by the COVID-19 pandemic. Many members of the community have turned to virtual library services during this time.

Additionally, the Library/Civic Center Master Plan has been put on hold indefinitely.

Potential goals should be within the commission purview and achievable in the current environment. Additionally, goals should be in line with the Library and Recreation Strategic Plan 2019-2024 (Attachment 1). Potential goals for 2022 could include, but are not limited to:

- Review and update all Library Policies to ensure equitable access to library programs, materials and services
- Promote library programs, materials and resources leveraging commissioners' social media connections, community groups, and other networks
- Identify opportunities for increasing library partnerships with local businesses and organizations.
